CLASS DESCRIPTIONS

- W1 Opening Keynote w/ Treyce d'Gabriel**
Meet the founder and president of the Center of Forensic Profiling along with other leading experts, hear her talk about the benefits of this 'addicting' science and how it has affected her life, lead to several published books, and how it can help you and those you love. Get photos with her and autographed copies of her books at this event.
- W2 Gang Mentality & Analyzing Graffiti**
Learn how to decipher the personality of the gang members via their graffiti, the color of psychology, and see how potentially dangerous they are. What are the secret messages found in this art form? Find out in this class !!
- W3 Personality Assessment**
Learn to develop a personality profile on children, teens, and adults using both Gestalt and Trait methods; learn to assess communication letters, relationships with parents, men / women, and themselves, danger traits, resentment, honesty, and much more!
- W4 Hidden Language of Sexual Abuse**
This class covers how to recognize sexual abuse victims, how they reveal the gender and name of the perpetrator without saying a word! A "Victim Checklist" is included.
- W5 Entry-Level Forgery & Anonymous Note Detection**
This class introduces students to solving forgeries of any kind and revealing the author of anonymous notes. Students will learn the 'secrets' of solving these cases and putting evidence together. This class is invaluable for fraud, harassment or threat notes, etc.
- W6 Class Clown or Killer?**
Many class clowns are "clowns" to over-compensate for other issues or feelings of inferiority. Learn to analyze their artwork and see how potentially dangerous it could be. Are they telling a story of KILLING? Find out in this class !!
- W7 Analyzing Arabic Script**
You do not have to read it to analyze it. Learn how to analyze the Arabic script with great confidence. Real samples from the current War on Iraq are used.

- W8 Drug Detection**
Learn how to decipher drug use (both misuse of legal drugs and abuse of illegal drugs) within handwriting.
- W9 Uncover the Truth Lie Detection**
This class teaches students how to uncover the truth when hidden in written words. This is invaluable for the victim, witness and perpetrator statements. This is also invaluable for employers, parents, lawyers and more --- anyone who may feel the need to uncover the truth. With the skills learned in this class you will never miss a lie if lied to again!
- W10 Psychological Illnesses**
Recognize various psychological illnesses such as Bi-Polar, Schizophrenia, Multiple Personality (DID), and more in both teens and adults.
- W11 Physical Illnesses**
Recognize various health indicators such as heart disease, respiratory issues, cancer, blood pressure, thyroid, pregnancy, and more including seeing the actually writing samples of a woman before, during, and after her miscarriage!
- W12 Expression of Violence**
Learn how to stack personality traits and reveal their potential for violence. Learn to recognize their preferred violence style and how they name their victims before their crime is committed.
- W13 Progression of Suicide**
Learn how people that are contemplating suicide reveal it in their writing and what they were upset about or who they were angry at. Students will see how suicidal thoughts and ideations progressively reveal themselves from minutes, days, weeks, months and even years. This is the class that teaches psychological autopsies of the victim.
- W14 DV: a Death Sentence**
Detecting those likely to become domestic violence perpetrators - both teens and adults.
- W15 Closing celebration w/ Treyce d'Gabriel**

PRESENTERS

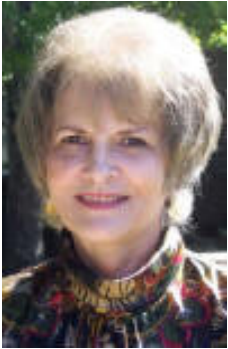

Ms. Treyce d'Gabriel, a 22+ year international expert in handwriting analysis and President of the Center of Forensic Profiling, is also the creator of the Handwriting Formation Therapy program that is backed by government officials. An Alpha Beta Kappa Honor List graduate in the field of forensic psychology, she is currently in her doctorate program and is a member of the National Scholar's Honor Society. Get your photo taken with her and autographed copies of her books at the conference ! Check her references online at www.Treyce.com

Pamela Dietze graduated from Stephen F. Austin State University in 1986 with a Bachelors, and double major, in Special Education and Physical Education. She then graduated from Southwest Texas State University with a Masters degree in Counseling and Physical Education. Pamela spent 18 years teaching emotionally disturbed middle school students and is the Training Supervisor for the Center of Forensic Profiling. Pamela is also a three time All-American athlete, and is a member of the Hall of Fame.

Jack Dowd is the President of Arbor Investigations and, in addition to being one of our trainers, his agency offers many investigative services including, but not limited to, handwriting analysis, background screening, drug and alcohol testing, fingerprinting, legal services, and identity-theft protection. On a more personal level Jack loves the sport of drag boat racing and currently holds one world title and three national titles.

Barbara Barton has been a Private Investigator for over 10 years and owns Screening, Backgrounds, Investigations, Inc. She specializes in pre-employment screening, handwriting analysis, personality profiles, and on-site drug testing. She attended Academy of Public Records and graduated from a citizen's police academy in Texas and the Department of Homeland Security Border Patrol Citizens Academy. Barbara has presented numerous seminars regarding hiring and the liabilities facing human resource departments.

Dawn Jolly brings over 10 years of Information Technology experience to the Center of Forensic Profiling and currently is a network administrator for IBM, where she provides network and internet security for IBM's customer, Disney, making sure they are compliant with the latest security patches, health checking and policy guidelines. She is pursuing her double Bachelors in Computer science (2008) and Criminal Justice (2009). She is working on her 2-year training as a private investigator as well as her 2-year apprenticeship as a Forensic Document Examiner.

Marcie Woods-Mendoza graduated from St. Edward's University earning a BA in Criminal Justice, completed the Texas Peace Officer Sequence Program and is currently an investigator for a state agency, has many years of experience in the workers' compensation field and currently holds an adjuster's license.

Tom Ratzsch has over 20 years experience in the law enforcement field. He has worked in the juvenile justice system for 9 years, working with the sexual assault unit, intensive supervision unit, and the booking area. He has been working as a Correctional Officer in Las Vegas since 1999. He also works as a K-9 officer and assists the training division. He teaches a variety of classes such as defensive tactics, CPR, use of force, O.C. spray, and firearms. He also was a police officer in the United States Air Force.
